This means that we are committed to supporting students who feel that they may be the victim of bullying or harassing behaviours. Bullying can take many forms and can be verbal, physical or online. It is important that students report it immediately to their personal tutor or someone in Student Support Services so action can be taken. Students who are found to be bullying and harassing others will be disciplined in line with the Student Disciplinary process.

Prevent

The Prevent duty forms part of safeguarding and is about keeping safe from extremism and radicalisation and supporting individuals from being drawn into terrorism. This is underpinned by the key British values which are: democracy, rule of law, individual liberty, mutual respect and tolerance of those of different faith and beliefs.

It is important that all our students understand how these British values are relevant to their lives. You will have opportunity within class to discuss, debate and learn about British values.

If you notice anything in College or at home which worries you in relation to radicalisation or extremist behaviours, contact the Safeguarding Team in Student Support Services on 01 226 776000 or email safeguarding@northern.ac.uk
