Course description

This year-long course has been developed specifically to help you to develop your mathematics skills, but it also focuses on how to succeed in your exams to give you the best chance of passing.

You will be supported by expert staff to achieve your goals, working alongside other like-

minded adult students who, like you, are motivated to succeed. It's the perfect learning environment.

What can this course lead to?

GCSE qualifications are often a requirement to join study programmes at level 3, or for access to Higher Education. This qualification will also make you more competitive in the jobs market.
