### Course description

---

This course provides an insight into how psychological research has informed the ways in which we think about why people commit crime.

### What can this course lead to?

---

This course is beneficial for those who have been out of education or work for a while and are looking to gain new knowledge and skills. You could progress on to further short courses such as Exploring Crime and Criminal Justice. Our Student Support Services team will work with you to design a personalised learning journey based on your needs and aspirations.
