You can find out more about Northern College and the courses on offer by calling us on 01226 776000 or emailing us courses@northern.ac.uk

Course description

This course will provide an introduction to Health, Social Care and Children and Young People's Settings, and will outline some of the similarities and differences between these settings for those considering a career in health and/or social care. You will gain information about the provision and roles within health and social care and the principles and values which underpin working in these sectors.

The course is delivered over 3 linked sessions and you must be able to attend all three sessions.

What can this course lead to?

Level 2 Health and Social Care.
