Course description

Strong communities are at the heart of any society. Equality and understanding have a valuable place in bringing communities together.

This course will explore what prejudice and stereotypes are, how they are formed and the actions which can be taken to challenge them.

This course is aimed at anyone who works in the Voluntary and Community Sector but would also be useful for anyone who has an interest in exploring how prejudice and stereotypes are influencing the world we live and work in.

What can this course lead to?

Other Exploring courses you could go on are:

Exploring Women in Leadership
Exploring Mentoring
Exploring Volunteering.

Or you could progress onto:

Interpersonal Skills (Level 1)
Investigating Enterprise (Level 1).

Possible careers include Community Worker and charity work.
