Course description

Explore how one family used their wealth and power to influence the local, national and international stage and how the influence of people continents away had an impact on this area. This course will consider a timeline of key dates and events in the history of Wentworth Castle and provide an insight into the links between its past and present, whilst helping you to develop your research, presentation and language skills.

What you will develop skills in:

- Formal/informal language
- Develop Spelling, Punctuation and Grammar – common misspellings, homophones (there, their, they're)
- Sharing a presentation

- Use of timelines
