Course description

This course will explore how an individual's experience is influenced by different aspects of society and will help you to develop an understanding of why health inequalities exist.

What can this course lead to?

This course is beneficial for those who have been out of education or work for a while and are looking to gain new knowledge and skills. You could progress on to further short courses and then gain a qualification. Our Student Support Services team will work with you to design a personalised learning journey based on your needs and aspirations.
