## Course description

---

This course will explore the substances that are most frequently misused in England and Wales. You will also look at the reasons why some individuals misuse a substance and what factors can prevent misuse.

## What can this course lead to?

---

This course is beneficial for those who have been out of education or work for a while and are looking to gain new knowledge and skills. You could progress on to further short courses and then progress to gaining a qualification. Our Student Support Services team will work with you to design a personalised learning journey based on your needs and aspirations.
