Course description

This course will introduce you to the world of business.

It is a 2 day course with lots of engaging activities to start you thinking about how different types of business's work in the modern world.

We will introduce different types of business and how they are structured. We will also look at why these matter.

You will discover what skills are important in business environments. We will also begin to look at some entrepreneurs and the skills that make them successful.

This course is a great starting point for anyone who has an interest in the ever-changing world of business.

If you are interested in Business, you can access this course as part of an 11-week programme that will start with the basics and lead up to level 1 and 2 certificates. Gateway to Business - Northern College [<https://www.northern.ac.uk/course/gateway-to-business/>]
