Course description

This course is about the world of enterprise and how someone can turn a business idea into a reality.

You will use modern case studies to explore how enterprises are built.

There will be practical steps to explore alongside initial support and information on planning your enterprise including introducing you to local support services.

If you are interested in Business, you can access this course as part of an 11-week programme that will start with the basics and lead up to level 1 and 2 certificates. Gateway to Business - Northern College [<https://www.northern.ac.uk/course/gateway-to-business/>]
