### What are the entry requirements?

No formal qualifications are required to study this course. A willingness to learn is essential.

### Need more information?

You can find out more about Northern College and the courses on offer by calling us on 01226 776000 or emailing us [courses@northern.ac.uk](mailto:courses@northern.ac.uk)

## Course description

---

Are you interested in learning more about learning difficulties? Would like to know more information about resources and available support? This course will introduce you to different types of learning difficulties and the potential signs and indicators of them. It will guide you through the assessment process and the routes in which diagnosis can take place.

## What can this course lead to?

---

This course will support you to progress onto further short courses, such as an introduction to children and young people's mental health. Our Student Support Services team will work with you to design a personalised learning journey based on your needs and aspirations.

## Want to learn more?

---

You can find out more about Northern College and the courses on offer at one of our Open Events [<https://www.northern.ac.uk/about-us/open-events/>]

## Location
