## Course description

---

This course will introduce you to Education in its many forms.

You will explore:

- What education is
- What the purpose of education is
- The underlying theories of children and adult education.

This course is for anyone who wishes to work in an education setting or anyone wanting to learn more about education in the UK.

If you are interested in developing your knowledge in Education you can access this course as part of a 6 week programme to prepare you for the next part of your learning journey. Introduction to Education - Northern College  
[<https://www.northern.ac.uk/course/introduction-to-education/>]

## What can this course lead to?

---

This course will support you to progress onto further short courses with us. Our Student

Support Services team will work with you to design a personalised learning journey based on your needs and aspirations.
