

# **Social Studies**

## Psychology of Health, Happiness and Wellbeing

The aim of this course is to provide an insight as to how the mind (psychology) can affect a person's health and well-being.

When does this start and end?	What are the entry requirements?	Need more information?
• 12 February 2026 - 13 February 2026	No formal qualifications are required to study this course. A willingness to learn is essential.	You can find out more about Northern College and the courses on offer by calling us on 01226 776000 or emailing us courses@northern.ac.uk

#### **Course description**

The course will provide an understanding about what 'health' and 'well-being' is, and how your mental state (e.g. mood, emotions) can impact positively and negatively upon health and wellbeing.

#### What can this course lead to?

This course is beneficial for those who have been out of education or work for a while and are looking to gain new knowledge and skills. You could progress on to further short courses and then to gaining a qualification. Our Student Support Services team will work with you to design a personalised learning journey based on your needs and aspirations.

#### Want to learn more?
