Course description

Outdoor exercise is great for your health and wellbeing. Come and explore the amazing countryside and National Trust parkland surrounding our Grade 1 listed building, whilst learning how to use a map and compass to navigate a route. This introductory course will teach you how to map, plan and complete a walk, whilst developing a range of skills to ensure you walk safely and confidently. If you enjoy walking but want to feel confident about going off the beaten track, then this introductory course is for you.
