Course description

The course will cover strategies for supporting autistic individuals, including the person-centred approach, communication, and positive behaviour. It will also consider how individuals with autism can be supported to live healthy and fulfilled lives. It has been designed for learners who wish to develop an understanding of autism and how to support individuals with autism at work or in personal life.

What can this course lead to?

Learners who achieve this qualification could progress to:

- Level 3 Diploma for the Children's Workforce (Early Years Educator)
- Level 3 Certificate in Preparing to Work in Adult Social Care
- Level 3 Diploma in Health and Social Care (Adults) for England
- Level 3 Diploma for Residential Childcare (England)
- Level 3 Certificate in Understanding Autism

Additionally, the objective of this qualification is to help learners to progress within employment in a variety of sectors, and in a number of job roles where an understanding of autism and knowledge of how to support people with autism is required.
