

Digital and IT

Intro to Digital Photography

Embark on a two-day adventure at Wentworth Castle Gardens where you will learn the art of digital photography and photo editing.

What are the entry requirements?

Students would be expected to have basic digital skills, such as using files and folders, opening and using applications, and be comfortable using Microsoft Windows.

Need more information?

You can find out more about Northern College and the courses on offer by calling us on 01226 776000 or emailing us_courses@northern.ac.uk

Course description

This hands-on course is perfect for photography enthusiasts, beginners, or anyone wanting to elevate their skills in capturing and enhancing the beauty of the natural surroundings.

What can this course lead to?

Once this and the college's Introduction to Video Editing course are completed, you will be ready to join the Intro to Digital Design course.
