

Digital and IT

Introduction to Digital Photography

This hands-on course is perfect for photography enthusiasts, beginners, or anyone wanting to elevate their skills in capturing and enhancing the beauty of the natural surroundings.

What are the entry requirements?

No formal requirements; students will be required to have completed the Next Steps in Computers course, or already have digital skills equivalent to those listed in that course's description.

Need more information?

You can find out more about Northern College and the courses on offer by calling us on 01226 776000 or emailing us courses@northern.ac.uk

Course description

Embark on a two-day adventure at Wentworth Castle Gardens where you will learn the art of digital photography and photo editing.

What can this course lead to?

Once this and the college's Introduction to Video Editing course are completed, you will be ready to join the Intro to Digital Design course.
