

# **Digital and IT**

## **Introduction to Digital Photography**

This hands-on course is perfect for photography enthusiasts, beginners, or anyone wanting to elevate their skills in capturing and enhancing the beauty of the natural surroundings.

#### What are the entry requirements?

# No formal requirements; students will be required to have completed the Next Steps in Computers course, or already have digital skills equivalent to those listed in that course's description.

#### **Need more information?**

You can find out more about Northern College and the courses on offer by calling us on 01226 776000 or emailing us courses@northern.ac.uk

### Course description

Embark on a two-day adventure at Wentworth Castle Gardens where you will learn the art of digital photography and photo editing.

#### What can this course lead to?

Once this and the college's Introduction to Video Editing course are completed, you will be ready to join the Intro to Digital Design course.

#### Want to learn more?
