

Digital and IT

Introduction to Video Editing

This hands-on experience is designed for beginners eager to delve into the world of video editing for various purposes, including personal projects, business endeavors, or online content creation.

What are the entry requirements?

No formal requirements; students will be required to have completed the Next Steps in Computers course, or already have digital skills equivalent to those listed in that course's description.

Need more information?

You can find out more about Northern College and the courses on offer by calling us on 01226 776000 or emailing us courses@northern.ac.uk

Course description

Join us for an immersive two-day course where you'll explore the art of video editing against the picturesque backdrop of Wentworth Castle Gardens.

What can this course lead to?

Once this and the college's Introduction to Digital Photography course are completed, you will be ready to join the Intro to Digital Design course.
