Northern College

Digital and IT

Introduction to Creating Webpages

This course is designed for beginners with little to no prior experience in web design, providing a hands-on introduction to building and linking webpages.

What are the entry requirements?

No formal requirements; students will be required to have completed the Next Steps in Computers course, or already have digital skills equivalent to those listed in that course's description.

Need more information?

You can find out more about Northern College and the courses on offer by calling us on 01226 776000 or emailing us courses@northern.ac.uk

Course description

Embark on a two-day journey to explore the fundamentals of web design and create your very own website from scratch.

What can this course lead to?

Once this and the college's Creating Apps course are completed, you will be ready to join the Intro to Computer Programming course.
