Course description

The course will help learners develop skills needed in the workplace, including timekeeping, dressing for work and interacting with colleagues. Alongside this, learners will undertake activities designed to build their confidence in dealing with new situations and learning new skills. By the end of the course, learners will have examples of where they have developed new skills, and will have produced a CV, and practiced their interview skills in readiness to seek employment.

What can this course lead to?

This course is designed to lead to employment. Anyone who successfully completes the course will be guaranteed an interview or work trial with one of our partner employers.
