

Access to University

Access to Higher Education Midwifery

The Access to HE Diploma (Midwifery) provides students with a solid foundation in midwifery and healthcare.

When does this start and end?	What are the entry requirements?	Need more information?
<ul style="list-style-type: none">15 September 2025 - 17 April 2026	<p>You will need a GCSE in English Grade 9-4 (A*-C) or Functional Skills English Level 2. GCSE maths Grade 9-4 (A*-C) or Functional Skills Level 2, would be an advantage but not required to gain entry. Previous experience in the subject, through work or education, is desirable. To secure a place on this course you will be required to attend an interview and demonstrate sufficient research skill, reading writing skills and an ability to meet tight deadlines.</p>	<p>You can find out more about Northern College and the courses on offer by calling us on 01226 776000 or emailing us courses@northern.ac.uk</p>

Course description

This course prepares you for higher education and careers in midwifery, equipping you with the knowledge, specific skills, and transferable skills needed to support women during pregnancy, childbirth, and postnatal care. Through a variety of units and practical experiences, you will gain a deep understanding of human biology, healthcare practices, and the psychological aspects of midwifery.

What can this course lead to?

Access to HE Diplomas are intended to provide preparation for study in UK higher education (University), but the award of a Diploma does not provide guaranteed entry to UK higher education (University).

BA (Hons)/apprenticeship Midwifery
BA (Hons)/apprenticeship Nursing
Other careers allied to health eg Podiatry
