

## **Outdoor Learning**

# Introduction to Garden Design (NonReg / Introduction)

Ever thought about designing a garden, if so, this course would be a good starting point. You will learn about the process of designing a garden. Starting with the garden survey, you will learn about the different stages of garden design. You will also explore the required design principles to help you transform the garden space. Using your new skills and knowledge, you will have an introduction to producing garden plans.

#### When does this start and end?

18 November 2025 - 20
November 2025

### What are the entry requirements?

No formal qualifications just an interest in gardens or gardening.
