

More Webpages (NonReg / Introduction)

Building on your experience on the Introduction to Creating Webpages course, you will further develop your website. Making it respond to different screen sizes (such as a mobile phone), adding more interaction, and creating animations. You will also use GitHub pages to get your website online.

When does this start and end?	What are the entry requirements?	Need more information?
<ul style="list-style-type: none">• 22 September 2025 - 30 September 2025	There are no formal requirements, but students will be expected to have completed the Introduction to Creating Webpages course as well as the Next Steps with Computers course (or already have digital skills equivalent to those listed in that course's description).	You can find out more about Northern College and the courses on offer by calling us on 01226 776000 or emailing us courses@northern.ac.uk

What can this course lead to?

Alongside the Introducing Computer Programming course, this course leads into the college's Computer Programming & Web Design course.
