Introduction to Cyber Security

Not sure if the college's accredited Cyber Security courses are for you? Join our Introduction to Cyber Security course and find out. Learn about the risks posed to computer systems and how they can be protected, and how, as our world becomes more and more reliant on computers and data, why cyber security is such an important field of study.

When does this start and end?

We have 5 different start dates for this course:

- 1 April 2026 - 2 April 2026
- 1 May 2026 - 2 May 2026
- 1 June 2026 - 2 June 2026
- 3 June 2026 - 11 June 2026
- 1 July 2026 - 2 July 2026

What are the entry requirements?

No prior knowledge or experience of Cyber Security is required but students will be required to have completed the Next Steps with Computers course, or already have digital skills equivalent to those listed in that course's description.
