

Digital and IT

Next Steps with Computers (NonReg / Introduction)

Building on the skills learned on the First Steps with Computers and Getting Confident with Computers courses, students will continue to develop their digital skills and gain confidence in using computers.

On this course, students can begin to expand their digital horizons, learning how to the basics of several different software packages, such as image editors and desktop publishing programs.

What are the entry requirements?

No formal requirements; students will need the basic digital skills listed in the Getting Confident with Computers course.

Need more information?

You can find out more about Northern College and the courses on offer by calling us on 01226 776000 or emailing us courses@northern.ac.uk

What can this course lead to?

With the basic skills in place, this course can lead to a range of exciting digital courses offered by the college.
