

Digital and IT

Award in Cyber Security (Award/Level 2)

Cyber Security is the practice of protecting computer systems from digital attack and it is a growing industry in our modern, digital world.

When does this start and end?

- 15 July 2026 - 24 July 2026

What are the entry requirements?

Students will need to have completed the Cyber Security (Level 1) course in order to join this course. They will also need to have completed the Next Steps with Computers course, or already have digital skills equivalent to those listed in that course's description. Students will need to be working at Level 1 or above in Literacy.
